

*Simon, t'as un bout de pomme de terre sur la joue*

-----

- *Je n'aurais jamais cru mourir au combat à côté d'un elfe !*
- *Et que pensez-vous de mourir aux côtés d'un ami ?*
- *Ah oui, ça je peux le faire...*

-----

*They found combat to be ugliness, destruction and death and hated it. Anything was better than the blood and carnage, the grime and filth, the impossible demands on the body-anything that is, except letting down their buddies.*

-----

*Tara is missing! I have worked for years, months, days, minutes, seconds to create the perfect woman!*

-----

*Great, Valium. Not only will we be able to get to sleep, but if we're attacked in the middle of the night, we won't even care.*

-----

*Aziz! Lumière!*

-----

*You probably heard we ain't in the prisoner-takin' business; we're in the killin' Nazi business. And cousin, business is a-boomin'.*

-----

- *What a handsome man. Your father ?*
- *That's Hitler.*
- *No, Hitler had a beard*

-----

- *Il y a environ une heure, un petit avion s'est écrasé en plein cœur de New York. Le Président était à bord.*
- *Président de quoi ?*
- *J'ai horreur qu'on se foute de moi.*

-----

*I once fought two days with an arrow through my testicle.*

-----  
*Let me put it this way. Maybe I'd sleep with you if you were the last man on Earth. But we're not on Earth.*

- 
- *Well, no sense in worrying about it now.*
  - *Why worry? Each one of us is carrying an unlicensed nuclear accelerator on his back.*

-----  
*So the combination is... one, two, three, four, five? That's the stupidest combination I've ever heard in my life! That's the kind of thing an idiot would have on his luggage!*

-----  
*Today I saw a slave become more powerful than the Emperor of Rome*

-----  
*My father told me we was all born of blood and tribulation, and so then too was our great city. But for those of us what lived and died in them furious days, it was like everything we knew was mightily swept away. And no matter what they did to build this city up again... for the rest of time... it would be like no one ever knew we was even here.*

-----  
*Mr. Singer. What an appropriate name for a man who can't keep his mouth shut.*

-----  
*You should be careful how you fight evil. Your weapons can turn back on you.*

-----  
*Ah ca, c'est un détecteur de connerie*

-----  
*Look at me, jerking off in the shower... This will be the high point of my day; it's all downhill from here.*
